

## The Aluminum Valley Society Launches Horizon Aluminium 2026

**Saguenay-Lac-Saint-Jean, Wednesday, October 15, 2025** – The Aluminum Valley Society (SVA) officially announces the holding of Horizon Aluminium 2026, an international event that will take place from May 12 to 15, 2026, at Delta Saguenay, in the heart of the Aluminum Valley®.

### Local Excellence, Global Connections

Horizon Aluminium 2026 aims to be a driver for the prominence of the Aluminum Valley®. The event will bring together the entire value chain, both regional and international, and will provide a framework for exchanges where ideas and perspectives can be shared to shape the future of the sector. Together, we can advance towards the development of solutions that will transform the industry.

The objective is to foster the emergence of business partnerships and to consolidate the role of Saguenay–Lac-Saint-Jean as an essential hub of expertise in the global industry.

“We want to make Horizon Aluminium a collaborative space that highlights the expertise of the Aluminum Valley® and connects it to international players. Aluminum is at the heart of global technological innovations, and our region has everything it needs to play a leading role in it,” emphasizes Lilianne Savard, General Director of the SVA.

### The Invitation is Extended: Save the Date

For four days, Saguenay–Lac-Saint-Jean will become the preferred meeting point for stakeholders in the aluminum industry. Producers, secondary and tertiary processing companies, professionals, equipment manufacturers, job seekers, and decision-makers from all over are invited to this unique event.

The future of aluminum is on the horizon. Save the dates from May 12 to 15, 2026. Registration opening and the program announcement will follow shortly.

### About the Aluminum Valley Society (SVA)

Recognized as a leader in Quebec, the Aluminum Valley Society (SVA) contributes to the emergence and growth of aluminum companies and specialized equipment manufacturing to create wealth in the Aluminum Valley®.
